

Consultancy

Challenge

In your operation you might lack the skills or the recourse to run projects or periodical operations

Solution

Blue Unit offer skilled personnel to help on your projects or periodical operations.

For businesses small, medium, or large, hiring a recourse can be a huge time-saver, and a real asset to growth, while removing direct pressure from the business.

How it works

Blue unit hire out resources for shorter or longer periods.

Can be on hour basis or project basis.

Examples

Water quality optimisation

Risk evaluation

Troubleshooting

Energy optimisation (together with partners)

Identify required sampling and reporting.

Recommendations on Pre- and Post-Treatment of water

Data analyse.

Long term training

Short term training
